

# Annual Report 2020

In the beginning of 2020, our executive director announced our goal to "Sharpen our Vision." The desire was to review and improve services and procedures. Of course, we had no idea that the continual change and adjustments of 2020 would create the challenges of sheltering-in-place, screening for staff, guests, and volunteers, and sometimes adjusting daily for COVID-19 requirements. Through it all, our community remained faithful, God was gracious, and we were able to meet physical and spiritual needs without closing our doors for a single day. Below are a few of the ways we provided services in 2020.
